

To all mathematicians interested in the
International Congress of Mathematicians 2006 in Madrid

E-mail information service of the
INTERNATIONAL CONGRESS OF MATHEMATICIANS
Madrid, Spain, August 22-30, 2006

Second ICM2006 Circular Letter

Subject: Pre-registration reminder,
Short Communications and Poster Sessions,
Scientific Committee,
Scientific Sections.

Dear colleague:

we are writing to remind you that the pre-registration process for the ICM2006 is underway. Soon, announcements will be sent only to those who are pre-registered.

If you have not yet pre-registered, please do so by following the simple instructions at the home page of the Congress

<http://www.icm2006.org>

As in previous editions of the ICM all mathematicians will have the opportunity of presenting their current work either in the form of a short communication or as a poster. In the fall of 2005 the Local Program Committee will make a call for abstracts and will set a deadline. All submissions will be refereed.

The Program Committee of the International Congress of Mathematicians is chaired by Professor Noga Alon, of Tel-Aviv University, by appointment of the International Mathematical Union. The Program Committee has selected the following scientific sections for ICM2006:

1. Logic and Foundations
2. Algebra
3. Number Theory
4. Algebraic and Complex Geometry
5. Geometry
6. Topology
7. Lie Groups and Lie Algebras
8. Analysis
9. Operator Algebras and Functional Analysis
10. Ordinary Differential Equations and Dynamical Systems
11. Partial Differential Equations
12. Mathematical Physics
13. Probability and Statistics
14. Combinatorics
15. Mathematical Aspects of Computer Science
16. Numerical Analysis and Scientific Computing
17. Control Theory and Optimization
18. Applications of Mathematics in the Sciences
19. Mathematics Education and Popularization of Mathematics
20. History of Mathematics

We strongly recommend that you visit the ICM2006 home page regularly for updated information on the scientific program, satellite conferences, proceedings and other matters related to the congress.

Sincerely yours,

Manuel de León
President, ICM2006

P.S. Instructions for application of satellite conferences will be available on the web site soon.
